THE FAMILY-THE MOTHER

Dear Brothers and Sisters,

I have decided to reflect with you, this year precisely on the family. The first day of the year is the Feast of the Mother of God, followed by the Epiphany, commemorating the visit of the Magi. The Evangelist Matthew writes: "going into the house they saw the child with Mary his mother and they fell down and worshiped him" (Mt 2:11). It is the Mother who, after giving birth to him, presents the Son to the world. She gives us Jesus; she shows us Jesus, she lets us see Jesus. Let us continue with the catechesis on the family, and in the family there is the mother. Every human person owes his or her life to a mother, and almost always owes much of what follows in life, both human and spiritual formation, to her. Yet, despite being highly lauded from a symbolic point of view — many poems, many beautiful things said poetically of her — the mother is rarely listened to or helped in daily life, rarely considered central to society in her role. Rather, often the readiness of mothers to make sacrifices for their children is taken advantage of so as to "save" on social spending. (To be continued...)
