## THE FAMILY-THE MOTHER

Archbishop Oscar Arnulfo Romero said that mothers experience a "maternal martyrdom". In the homily for the funeral of a priest assassinated by death squads, he said, recalling the Second Vatican Council: "We must be ready to die for our faith, even if the Lord does not grant us this honour.... Giving one's life does not only mean being killed; giving one's life, having the spirit of a martyr, it is in giving in duty, in silence, in prayer, in honest fulfillment of his duty; in that silence of daily life; giving one's life little by little. Yes, like it is given by a mother, who without fear and with the simplicity of the maternal martyrdom, conceives a child in her womb, gives birth to him, nurses him, helps them grow and cares for them with affection. She gives her life. That's martyrdom". End quote. Yes, being a mother doesn't only mean bringing a child to the world, but it is also a life choice. What does a mother choose, what is the life choice of a mother? The life choice of a mother is the choice to give life. And this is great, this is beautiful. (To be continued...)
