THE FAMILY - THE MOTHER

A society without mothers would be a dehumanized society, for mothers are always, even in the worst moments, witnesses of tenderness, dedication and moral strength. Mothers often pass on the deepest sense of religious practice: in a human being's life, the value of faith is inscribed in the first prayers, the first acts of devotion that a child learns. It is a message that believing mothers are able to pass on without much explanation: these come later, but the seed of faith is those early precious moments. Without mothers, not only would there be no new faithful, but the faith would lose a good part of its simple and profound warmth. and the Church is mother, with all of this, she is our mother! We are not orphans, we have a mother! Our Lady, mother Church, is our mom. We are not orphans, we are children of the Church, we are children of Our Lady, and we are children of our mothers. Dearest mothers, thank you, and thank you for what you are in your family and for what you give to the Church and the world. And to you, beloved Church, thank you, thank you for being mother. To you, Mary, Mother of God, thank you for letting us see Jesus. God Bless!

Fr. Maria Joseph Kodiganti
