WHY CAN'T "I JUST FOLLOW MY CONSCIENCE?"

We often hear people saying "I don't need any guidance from anyone because I just follow my conscience." They claim that their conscience will tell them what is true or false, right or wrong. But what they are really doing is just following their feelings or personal preferences, regardless of what may be the right or moral thing to do. Conscience is a unique faculty or power given to us by God to guide us to what is good, right, true and just. The purpose of conscience is to lead a person to the truth. It is a person's "most secret core and sanctuary" where a person can sense the inner voice of God calling them "to love and to do what is good and avoid evil" (CCC#1776). First we should have an informed conscience by learning right and wrong in the light of the Sacred Scriptures as interpreted by the teaching authority given to the Church. If we do not inform our conscience, then it won't be dependable and trustworthy. The Catechism reminds us that "the education of the conscience is a lifelong task." We do this by studying Sacred Scripture, by knowing the moral teachings of the Church and our Christian tradition, and through prayer. God Bless!

FR. MARIA JOSEPH KODIGANTI
