## THE SOLEMNITY OF SAINTS PETER AND PAUL

Saints Peter and Paul are considered the foundational pillars of the Church. Peter represents the stability of the Church and the office of the Vicar of Christ. Paul represents the mission of evangelization that was entrusted to the Church by Jesus Himself. He was also the Church's first theologian, which is seen in his numerous letters that expound on the Gospels. Most of the apostles and lots of saints have their own feast day, but how about the two most famous saints of the early church? There is February 22nd in which the Church celebrates the "Chair of Peter" the sign that Peter was the first among the apostles and the one designated to lead the early Church after Jesus' Resurrection and Ascension. But there is no "Feast of St. Peter." St. Paul, although not one of the Twelve, was an Apostle commissioned by Jesus. There is the January 25th celebration of "The Conversion of St. Paul" which commemorates the Damascus Road episode described in Acts of the Apostles. But there is no "Feast of St. Paul." The two leading saints of the early Church are celebrated together in the Feast of Saints Peter and Paul, This celebration is a liturgical feast in honor of the martyrdom in Rome of the apostles Saint Peter and Saint Paul and is observed on June 29th. Their twin martyrdom reminds us that the Church must be both stable and mission oriented. It must remain grounded in the ancient Truth, yet grow and flower with an ongoing understanding of the mysteries of faith. God Bless! **Fr. Maria Joseph Kodiganti**
